Paddock Walks

These are shown on the map by a red dashed line and take you past the farm buildings, woodchip areas and past the main paddocks, all we ask is that you **do not enter the paddocks or feed the equines** under any circumstances - our staff will be happy to explain why.

Can we please remind you to keep dogs on leads at all times, thank you.

Important Information

In the unlikely event of a fire, please make your way to the fire assembly point located next to the Horse Walker ● and wait there for further instructions.
