

**PREVENT THE RETURN OF THE AMERSHAM HORSES BEFORE TRIAL FOR ANIMAL CRUELTY TAKES PLACE**

We, the undersigned, in support of the RSPCA and other equine welfare agencies, request that the Court overturn the judgements made by Deputy District Judge Sandeep Kainth, at Oxford Magistrates Court on April 4th 2008 for the return of 11 donkeys and 18 Shetland ponies to their owners, the Gray family and of the auction, in Henley in Arden in early May 2008, of the remaining 82 horses. We request that all animals be left in the care of the welfare agencies or be re-homed until the trial of the Gray family dealing with 12 counts of animal cruelty has taken place.
