

Young Reds At Home Academy

Easter and Donkey Fun Activity Sheet

If you want a break from eating all that Easter chocolate, have some fun completing our Easter and donkey fun activity pack, the latest pack from the Young Reds At Home Academy series. We're sure you're missing our long-eared residents, and although it's not long left until you can visit, we thought we'd create some donkey themed activities for you to enjoy in the

A-mule-zing differences!

You may know the difference between a horse and a donkey but do you know the difference between a donkey and a mule? Or even a hinny?

Do you even know what mules and hinnies are?

Complete the sheet to find out which resident is which and soon you'll be a donkey differences expert!

Wings is lost!

Oh dear!

Looks like our mascot Wings has got lost and needs some help getting home!

Can you complete the maze to help Wings get back to the donkey barn?

Cracking name!

Did you know that some of our residents have names relating to Easter and spring?

Use the clues to figure out which name belongs to which resident.

Donkey wordsearch

We have lots of lovely donkey Adoption Stars at our visitor centres, have you had the chance to meet some of them? You may even adopt one of them!

Can you find all the donkey Adoption Star names in the grid? There's eight to find!

Make your own Red and Wings!

Are you missing our awesome Redwings mascots Red and Wings?

Hopefully it won't be long until you see them at our visitor centres or at events but in the meantime you can create your own with our template.

Don't forget to ask for an adult's help with the cutting out!

Want more Easter themed fun?

We created lots of fun Easter and donkey themed content last year. Have you completed all of those activities too?
