'Queen's Jubilee' Activity Sheet

In honour of the Queen's Platinum Jubilee we decided to create some royal-themed activities for you to enjoy online and at our visitor centres. Ask a parent/guardian to look online if you are interested in visiting us over the special bank holiday weekend.

Redwings' own royals

We have lots of residents named after all things royal but they live at our closed sites so it's likely you haven't seen them.

So what a better time to introduce you! Read through our special resident profiles to virtually meet our 'royal' residents!

Create a resident profile

Now have a go at making a resident profile yourself! Show off your artistic skills by creating one from scratch or use our templates to help you.

Did you know if you go to our visitor centres you will find these dotted about the paddocks to help inform our visitors about our lovely rescued residents.

The big Jubilee lunch

Not sure what to bring to your local street party? Why not make some of our yummy horse biscuits?

Simply follow our recipe with an adult.

Don't have a horse shaped cookie cutter? No problem, you can create your own horsey-themed shapes, like horse shoes or carrots.

Adoption STARS

The royals aren't the only ones known worldwide, our Adoption Stars are loved by many supporters near and far too.

So we thought this Mini Reds colouring page would be a perfect fit in this Jubilee package, don't you think?

Parents/guardians you can find out more about our Adoption Scheme on our website.

Find the royals

Can you find all the royal names in our Jubilee-themed wordsearch?

All the names you have to find are the names of some of our rescued residents. See what some of them look like and read their rescue stories by checking out our special resident profiles.

Send us your stamps

One's with the Queen's head on, foreign stamps and even rare stamps. Did you know we can convert them into funds to help care for our rescued residents?

So if you have stamps you'd like to donate to us please send them to: Redwings Horse Sanctuary, Hapton, Norfolk. NR15 1SP.
