Read all about it

October is known for the month of creepy things so what better time of year to talk to you about the creepy crawlies our horses may have to deal with!

We have 'Worms that make you squirm' and 'Creepy Critters' to get you into the Halloween spirit!

Wicked Wordsearch

See if you can spot all of the horsey and autumnal themed words in our wordsearch.

We have even added some explanations at the bottom, for those who may be curious as to what the unusual words mean.

Pumpkin Carving

It's the time of year where everyone is keen to show off their pumpkin carving skills. Well we have a challenge for you... can you carve a Redwings themed pumpkin?

(Not carving a pumpkin this year? No problem you can still use our pumpkin template to create and share your designs.)

Autumnal Crafts

Design a horse rug! We've seen many wonderful and wacky designs over the years and we can't wait to see yours! As the days and nights get colder some of our horses need rugs to keep them cosy so we felt this is the perfect activity for this time of year.

You could also colour in our cute picture of ponies enjoying some autumnal fun!

Redwings Feed Run

The Feed Run is our daily or twice-daily trip around our sites when we deliver feed to horses who need it. Our care teams can cover many miles a day doing this!

So we challenge you to complete the Feed Run yourself! Complete 10k your way, donate £10, then nominate someone else to have a go! Remember you don't have to do it all at once, you can take your time.
(See website for details.)

Find the spooky word

Solve these puzzles by placing the names of our Adoption Stars in the right order to reveal spooky, halloween themed words!
