Mare  
Welsh Cross  
Born 2011

Queen Elizabeth came to Redwings in 2020 from a Welsh Sanctuary that had closed down. Having arrived in the height of the Coronavirus pandemic, we wanted to honour the amazing NHS workers and decided to name the group after well-known hospitals.

So you will also find a Nightingale, Paget, St Ann's, Princess Royal and Good Hope, in the group too, for example.

# Prince V

Gelding  
Welsh Mountain  
Born 2011

Prince came to SWHP (Society for the Welfare of Horses and Ponies) in 2015. He was found with a heavy redworm burden, a large sarcoid and was being terrorised by children - poor thing!

He became part of Redwings after the merger in 2019. You can find out more about the merger on our website. Just type in 'SWHP' in the search bar to read our blogs.

# Majesty

Mare  
Hackney X  
Born 2008

Majesty arrived at Redwings in February 2022, having been involved in a road-traffic accident. Poor Majesty sustained injuries to her face and chest, including a broken nose! Having been initially treated at Lingfield Vets in Essex it was then discovered she was heavily in foal. We were contacted by the yard she was boarding at and asked if we could give her a home.

We're pleased to say Majesty gave birth to a colt, Monarch. They were both named in honour of arriving at the Sanctuary the year of the Queen's Jubilee.
