

Young Reds At Home Academy

Cookie's Cracking Christmas Activity Sheet

Get into the festive spirit with Redwings this Christmas. Fun activities and games to keep you entertained throughout December.

Wishing you a Merry Christmas and a Happy New Year from all of us at Redwings x

What's your reindeer name?

Back by popular demand we have created another themed 'what's your name?' game.

Follow the instructions on our sheet to find out what your funny reindeer name would be.

Why don't you try it with your friends and family too? Does anyone have the same reindeer name as you?

We love donkeys!

Usually we would be hosting 'We Love Donkeys' themed activities over the Christmas school holidays which sadly we're unable to do this year. But don't worry - we're bringing the donkeys to you!

With a parent or guardian check out our 'We Love Donkeys' playlist on our YouTube channel to virtually meet and learn about our cheeky residents.

Festive Horsey Terms

There are many special terms used to help to describe horses, ponies, donkeys and mules whether it be for their colour, markings or behaviour.

We happen to notice that a few of these terms have Christmassy links too! Can you work out the way these Adoption Stars are related to the festive words?

Where are Santa's hats?

Looks like cheeky donkey duo Timothy and Cain have been up to mischief again! They've taken a load of Santa's hats and scattered them across Redwings Oxhill!

Can you find all of Santa's hats in the picture?

Redwings' own reindeer!

Did you know we have some lovely residents that are named after Santa's reindeer?

Fill in the gaps under the horsey pics to reveal who is named after who! You can check your answers on the separate sheet.

Do you have a favourite 'reindeer' resident?

Christmas colouring

Red has been doing some Christmas shopping! It looks like he's got lots of lovely gifts for his friends and carers at Redwings.

Have a go at colouring in our festive Red picture. Don't forget you can always share your amazing work with us by getting a parent/guardian to tag us on social media or send your pics to young@redwings.co.uk.
