

# Henry

- Gelding,  
Cob,  
born 2002

Henry was rescued by SWHP (Society for the Welfare of Horses and Ponies) in 2003, before the Charity merged with Redwings. Reports had been made to the council of two ponies wandering in Castleton.

Henry had been living in a Guardian home organised through the SWHP, before returning to Redwings in 2019. He has settled in well to life at Redwings Caldecott, and if you spot him today make sure you say hello.
