

Free veterinary seminars
for horse owners

Keeping an eye on eyes

Plus, making the perfect hoof poultice!

When? Tuesday 7th April 2020

Where? Redwings Aylsham,
Spa Lane, Aylsham, NR11 6UE

What time? Doors open 6.30pm for a 7pm start

Did you know?
Eye problems are one
of the top five general
horse health issues in
the UK each year*

"How do I spot eye problems early? When should I get help?"

Explore the vital and fascinating world of equine eyes with vet Nicola Berryman. We'll be looking at what's normal for the equine eye, common eye conditions and when to call a vet. We'll also get to grips with applying topical eye treatments.

Moving from eyes to feet, after the break, equine veterinary nurses Lindsey and Lou will be taking us through the art of poulticing, with top tips to help you poultice like a pro!

Don't miss an 'eye-opening' evening, with a warm welcome, complimentary hot drinks and plenty of time for questions.

Book early to secure your free place!
