

# PONY PANTO

Act out your own Redwings story!

Gather your friends and family and create your own pony panto!

Write your own rescue story or use our Adoption Stars as inspiration.

Cut out your mask (on the next page) and use ribbon, string or elastic to keep it in place for your performance!

Use your amazing drama skills to act out the journey of how you were rescued and ended up happy at the Sanctuary or even in a new home!

Take a look at the new arrivals on page 4, new adoptions on pages 8 and 9 or look through previous issues of Young Reds to find more stories to inspire you.
