

# Young Reds At Home Academy

## 'Let's Get Quizzy' Activity Sheet

On the Redwings website you will find all of the quizzes below. Have a go at them and see if you could make it as a pony professor in Adoption Star Cookie's At Home Academy.

### Baffling Breeds

Do you know your Shetland pony from your Shire horse, your Dartmoor from your donkey?

Test your breed knowledge with our quiz!

### Coat Colour Challenge

How well do you know your pony palette?

Horses come in all sorts of colours: piebald, palomino, bay and brown! See how many you know and find out what colours some of our residents are.

### All grown up!

Have a go at our Fabulous Foals quiz. Can you match up our residents' foal photos with their grown up selves?

(We bet your parents show people photos of you when you were a baby too- hehe!)

### Be a Redwings Checker!

Put yourselves in the boots of one of our checkers, who look after our residents here at Redwings and check that they are happy and healthy.

They are the first to notice if any of our ponies seem unwell, and you can help them work out what might be wrong.

### Rehoming at Redwings Quiz

Take our personality quiz to see which sort of rehoming training would suit you best if you were a pony!

Our horses in training may end up being rehomed as a ridden horse or a non-ridden companion but they are all super special and go on to live wonderful lives with their Guardian families.

### Test your knowledge!

Have a go at our Pony Professor Quiz to test your knowledge from the other quizzes.

How did you get on? Have you enjoyed Cookie's Young Reds At Home Academy?
