

Young Reds At Home Academy

'We Love Horses' Activity Sheet

We're back with more fun activities for you to do at home! We brought you the donkey madness for Easter, now it's time for some more great horsey and spring-themed activities to keep you busy this May half-term!

You're how old?

Across our Visitor Centres we have many Adoption Stars of all shapes, sizes, colours, breeds and ages.

Can you crack the code and work out their ages with the clues provided?

Horsey arts & crafts!

Make this easy stand up horse with items from around your home. You can use our template or get creative and design your own!

We can't wait to see what you come up with. Don't forget to ask a parent or guardian to tag us in your social media pictures or send to young@redwings.co.uk.

Red & Wings

You may have heard of and played 'Noughts & Crosses' but what about our game 'Red & Wings'?

Have fun playing our spin on a classic game. Who will win Red or Wings?

Fantastic Feet

Our horses, ponies and donkeys spend most of their time on their feet all day so it's important we make sure they are comfortable.

Colour in our diagram to reveal the different parts of the hoof and the sensitive areas our horses carers must look after and keep an eye on.

Red loves the springtime

Red is our horsey mascot here at Redwings and he loves spring: the lighter days, seeing the flowers growing around his paddock and visits from his wildlife friends.

Whether you're out on your daily exercise, in your garden or looking out your window can you spot any signs of spring?

You can record them on our sheet.

Head online....

Have you looked at our Young Redwings website yet?

There's plenty more great horsey games and activities available for you to play online. Go take a look and have fun!
